Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.323.

Respecting the alleged errors in the specification and claims sections of printed patent. The change to Example 86 in Column 77, lines 40-45, would introduce new matter. The R variable substituent printed in the patent for Example 86 has the exact stereochemistry as found in the originally filed specification on page 70, last line of page.

Entire Column 97 and Column 98, lines 1-39, should not be deleted. Certificate of Correction is not proper for this type of change to the patent.

In view of the foregoing, your request in this matter is hereby denied.

A certificate of correction will be issued to correct the remaining errors in your request.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch.
